

REHHD INFRARED HEATING RANGE

Premium TUV Certified Infrared Heaters

RETAIL PRICE LIST 2017

Our Ranges

I Infinity Range

With the longest warranty available and low cost manufacturing processes, our Infinity range offers the best value possible.

E Evolution Range

Designed In Germany our EU range offers high levels of safety with quality and design at the forefront of the manufacturing process.

B Burda Range

Our Burda range is designed, developed and manufactured in Germany by Burda. This high quality, premium range is guaranteed to stand the tests of time.

Note: See Separate Burda Price list

T Thermal Nano Glass Heaters

This cutting edge heating technology is based on infrared heat transfer using carbon nanofibers and features in an elegant near transparent design, so they can blend into any surrounding virtually unnoticed.

T Thermoglass Infrared Glass

Our Exclusive Nano-System infrared heated glass and clear compact transparent heaters are the ultimate in modern home heating technologies.

Mirror Panels, Frameless

Code	Wattage (w)	Size (mm)	Weight (kg)	Heat Coverage (m ²)	Price (Inc VAT)
HDM35A	350	600 x 700 x 22	8.7	5 - 7	£369
